

THE LUCKE FAMILY NEWSLETTER

Vol 1 Number 1

January, 1979

Sad news: Aunt Loretta (Uncle Bill's widow) passed away last Fall. She had been ill, but was supposedly recovering. Condolences to Bill, Bob and their families.

Good news: Aunt Anne (Campbell) alias the Matriarch, underwent a successful cataract operation on her left eye, and is expected to have the right eye's cataract removed in early February.

Moved: Dottie and Theresa (Gucker) found the house in Florida too small, and moved into a new one; Dorrie and Craig joined them. New address is on the Mailing List.

Surprise: Father Richard (Hoerning) and Bob Campbell met at an Antioch Weekend in East Rockaway in early December. Rich is teaching at St. Pius Prep Seminary in Uniondale; he also bowls, but rumor has it that he's the teachee, not the teacher!

Advertisement: Ceramics with TLC is open and awaiting students/Customers, Proprietor is Lloyd Campbell, in historic, picturesque Sag Harbor.

Packing: Ginny and Ferg (Ferguson) are planning their migration to Florida in the very near future. The only holdup is receipt of negatives from the Cousins' picnic.

Help Wanted: You'll find a Family Mailing List attached. Also a Family "Tree." Please make corrections, and changes, and send them on to the Editor (alias Bob Campbell). If you've got any old pictures or negatives, especially of the Elder Generation (Caspar and Mary's kids), send them on to the Historian (alias the Matriarch Pretender, Rita Muller).

We hope that you get some enjoyment from this bit of information about our sprawling family. Please add your own tidbits whenever possible, and we may be able to make this effort into a permanent thing.

Best wishes to all of you.

P.S. Belated Merry Christmas (in lieu of cards!)
