## The 31

In the next issue, which is planned for Spring 2005, we will conclude the stories about the 31 Grandchildren of Caspar and Mary Lucke. That issue will feature the children of # 13 Caspar John (Jack).

We ask that stories about Jackie LaCava and her brothers be sent in the next few months, mid-March at latest. Email to [arcyc@aol.com](mailto:arcyc@aol.com) is the best method. Otherwise write to Bob Campbell at 135 Centre Avenue, East Rockaway NY 11518. Many thanks!

## Database

The family data is maintained in two databases: **Brothers Keeper** and **Family Tree Maker**. This year we also transferred some of the basic data to **Microsoft ACCESS**. If anyone has any of those software packages and would like me to transmit the data, let me know.
