Robert Paul Hoerning Jr

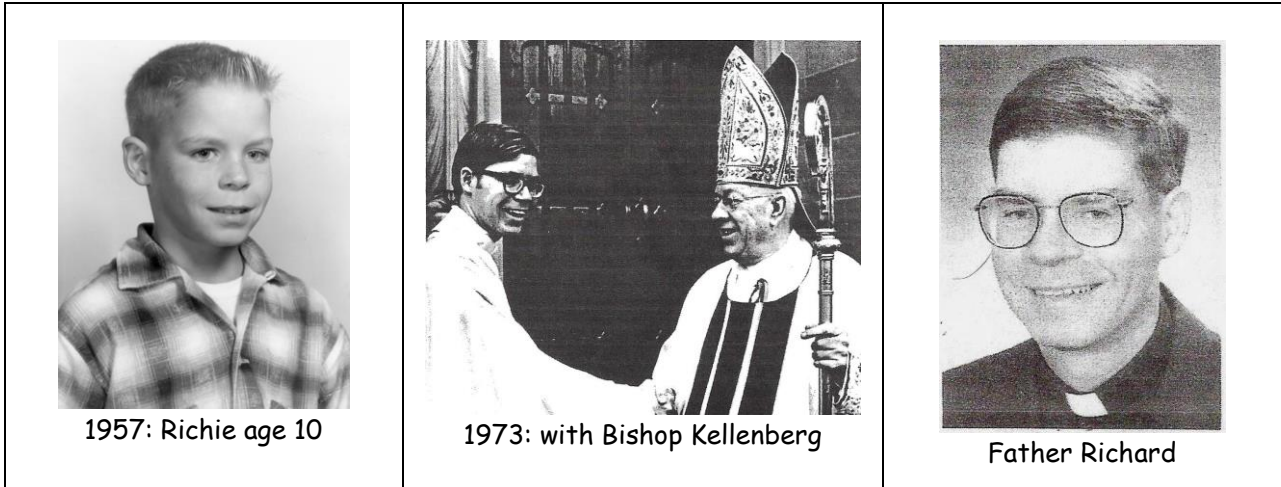

Bobby was born January 26, 1944 in New Rochelle, NY. Little Bobby was the first of the Hoerning boys and was lucky enough to be one of the first families to move to Levittown in 1948. There was even an article done in the local newspaper about them living in Levittown. Bobby attended Levittown Elementary and Wappinger Falls high school where he was a basketball star. In 1963, after graduating high school Bobby entered the Air Force. He spent the next 4 years training and working as an airport fireman. Bobby was discharged from the Air Force in January 1967 and returned home to Long Island only to die tragically in a car accident on March 25, 1967 in Wappinger Falls. NY.

Richard Peter Hoerning

Richard was born on October 17, 1947, in New Rochelle, NY. He attended St Mary's School in Wappingers Falls. In 1963 the family moved to Long Island where Richard attended St Pius X Preparatory Seminary, Uniondale, Cathedral College, Brooklyn, and Immaculate Conception Seminary, Huntington. He was ordained a Priest for the Diocese of Rockville Centre on May 26, 1973.

Father Richard first served at St Mary's Church, Manhasset, from 1973 to 1978 and then was assigned to the faculty at St Pius X Preparatory Seminary. He served as associate pastor of St Peter the Apostle, Islip Terrace, from 1981 to 1986, then as associate pastor of Infant Jesus, Port Jefferson, from 1986 to 1989, and as associate pastor of St Anthony of Padua, Northport from 1989 until being appointed pastor in 1990. In 2002 he was appointed pastor of St Anthony of Padua, Rocky Point and in 2014 pastor of St Agnes, Greenport.

Bruce Edward Hoerning

I was born June 7, 1953 in Rockville Center, NY, making me the youngest of the three Hoerning boys. I moved to California in July 1977 and I quickly found a job as an auto mechanic in a Pontiac dealership. I have worked for TRW, Motorola, Filtec and I just retired in 2013 as Facilities Director from El Camino College.

I met Roxanne Williams shortly after moving to California and it was love at first sight. We were married on October 17, 1981, just 10 short months after meeting.

In March of 1984 I became the legal father of Roxanne's two children Shawna (age 13 at the time) and Jeremy (age 11 at the time).

As a family our favorite thing to do together was to go camping and ride our dirt bikes. We spent many summers camping at Bass Lake and many holidays in the desert, riding our dirt bikes.

Roxanne and I were married for 32 years till she died in 2013 of metastasized breast cancer. I have been spending my retirement traveling and meeting lots of new people.

Shawna is married to Andy Devoe and they will be celebrating their 24th wedding anniversary this September. Shawna is an elementary school teacher and Andy works for American Honda Motor Co. Their daughter Kelsey is 22 and she has just finished her bachelor's degree by finishing her last semester studying abroad in Leicester, England. She will be spending the rest of her summer backpacking through Europe only to return in late August to start her Master's program. She is an English Lit major and is looking forward to one day teaching her own college courses. Their younger daughter Madison is 20 years old and she is a licensed cosmetologist. She spent a year out of high school studying at Paul Mitchell and got her license last September. She has also attended a James Ryder boot camp for make-up and has had her make-up and hair work published in the LA Weekly magazine.

Jeremy married Stacey Herbert on January 13, 2007. They will be spending their 10th wedding anniversary in Hawaii. Jeremy and Stacey live in New Hampshire where Jeremy is a District Service Rep for American Honda Motor Co and Stacey works for the local Lexus dealership. Their daughter Courtney just turned 18 and graduated from High School. She's all set to attend Southern New Hampshire Community College in the fall.

My mom [Ginnie] was so excited to finally be a grandmother in 1981 but she was over the moon to become a great-grandmother to Kelsey and Madison. I just wish she could see now, how great her little family has become.

In Loving Memory

Roxanne Hoerning
Feb. 7, 1952 - Nov. 4, 2013

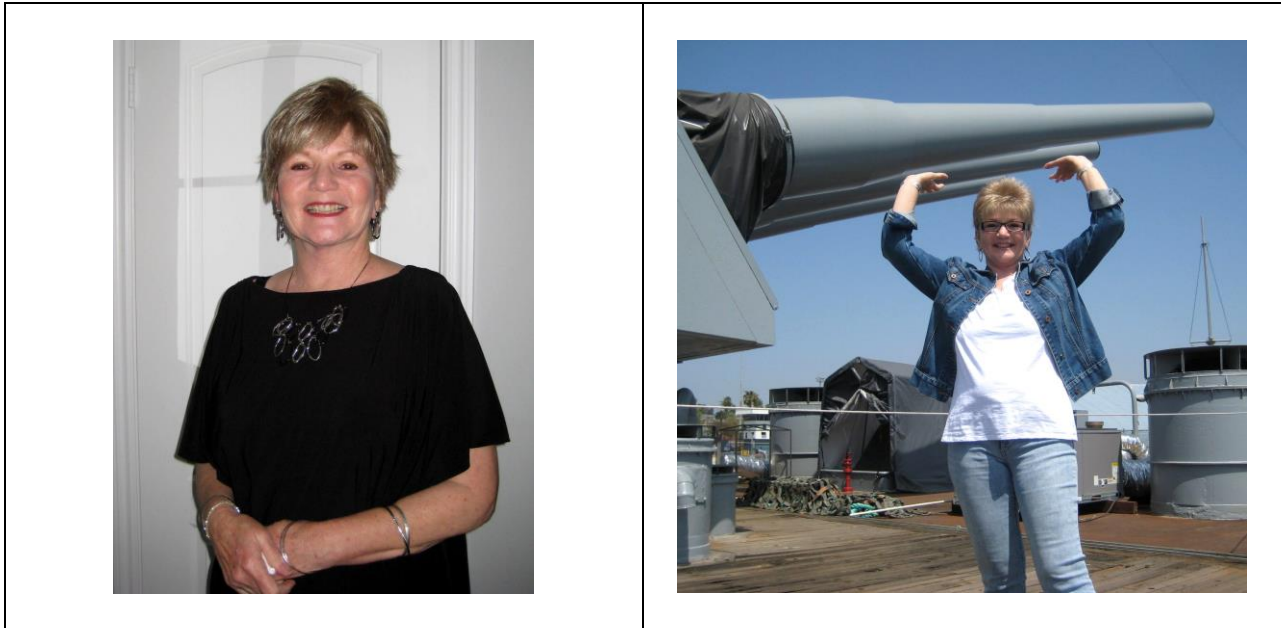

Roxanne Williams Hoerning

Roxanne was born February 7, 1952 and raised in Tujunga, CA where she attended Verdugo High under the nickname "Beanie". She moved to the South Bay in the early 70's with Shawna and Jeremy. In 1980 she married Bruce, the love of her life.

While working for Bridgestone Tire Co. and American Honda Motor Co. she earned her Bachelor's degree from Pepperdine University. Roxanne retired from American Honda Motor Co. after 27 years. Roxanne was passionate about organizing, crafting, decorating and gardening. She enjoyed volunteering at her church by helping in the garden club and writing the "Spirit Speaks" newsletter. At church she made some amazing friends and learned how to mentally fight the cancer that was attacking her body. She loved to travel, throw parties, and play games.

Roxanne enjoyed any activity that involved family and friends. There was never a day that went by that she did not try to make extra special for someone, a note, a kiss, a visit, a gift, a call, a card.

Roxanne died November 4, 2013 in Torrance CA.

Memories of Richie & Bruce

When Kelsey was born in 1994 Andy and I lived in New Hampshire. Andy and I would drive down to Long Island on occasion and visit my grandma (Virginia). The first time we visited with newborn little Kelsey my grandma of course was over the moon and couldn't get enough of her, she would hold her, and feed her and talk goo goo to her and Richie would try to do the same. He would pick Kelsey up and Kelsey would move funny or make a funny noise and he would freeze and look at me and say "Is she okay?" "Is that okay?" You could tell he really wanted to hold her and do it right but he was so nervous and unsure. It was pretty funny to watch!

I don't see my uncle Richie often. We used to see each other more, but lately, not so much. The last time I saw Richie was the most meaningful. You see, on a day that was emotionally draining, running in slow motion and completely unreal, Richie was there. It was the day of my mom's Celebration of Life Party. There were so many people and so much going on but what I remember most of all was Richie. He was there, by my side much of that day, just making sure I was okay. He sat next to me when people were getting up and talking about my mom. Richie was there, making sure I was okay.

For my 13th birthday we were camping at Lake Tahoe. Instead of having a campground-made birthday dinner, we put on our best camping clothes and headed to the local casino/hotel for a nice dinner. However on the way there we ran out of gas. We were in the truck with a camper in a left hand turn lane on a slight hill (going up). Bruce all of a sudden yells "everyone out and push" so mom, Jeremy and I all get out, in our finest camping clothes and we push this behemoth up a hill through an intersection to get gas. Needless to say it was a memorable 13th birthday.

Memories of Father Richard

The Campbells were always invited to the Hoerning celebrations on Long Island. We were there at Father Richard's Ordination as a Priest in 1978, at St Mary's Church in East Islip. The reception followed at LaGrange Restaurant.

At the 1978 Lucke Family Picnic at Valley Stream State Park, Father Richard attended with his Mother and Step-father, Ferg. Richard said Mass for us all. A blessed day indeed!

Richard and Bruce arranged a marvelous party for their Mother, Ginnie on her 75th Birthday in 1997. It was celebrated at St Anthony Church in Northport where we met the California Cousins (Ken, Roxanne, Shawna and Andy) for the first time.

In 1998, I was invited to assist as Deacon at Richard's 25th Anniversary of his Ordination. It was also held at St Anthony's, with a parish celebration following; I remember Richard dressed in a red apron (it was Pentecost!) and helping with the serving - at his own party! Then family and friends travelled by bus to Port Washington, where we boarded the M/V Sterling for a 4-hour Dinner Cruise around Manhattan. What a wonderful time we all had - especially Ginnie who was simply beaming all day!!

Around The Family

♦ *Paul Lucke* (Son of Clem Lucke, Grandson of #2 Frank) is doing some research (just for himself) on the topic: "The number three in Catholic Theology." For Example, The Trinity; Kyrie Eleison sung Three times; Three Mary's at the foot of the Cross; Simon do you love me, asked Three times; Three days in the tomb; Peter denies Jesus Three times; Jesus revealed himself Three times after his Resurrection; Three Kings at his Birth; Jesus' ministry lasted Three years; cock crows Three times.

If any of you Lucke Cousins have any additional ideas on the examples of the number Three, Paul would appreciate hearing from you (clemlucke@gmail.com).
